

# JEFFERSON COMMUNITY AND TECHNICAL COLLEGE

## Mission Statement/Status of Accreditation

### Mission

Jefferson Community and Technical College transforms lives and communities through educational excellence in an inclusive environment that opens doors for all students.

### Values

**Academic Excellence.** We strive to excel in teaching, learning, and student support. We engage in ongoing professional development to learn, grow, and improve.

**Accessibility.** We minimize barriers and provide educational pathways to technical and career training, general education and transfer, workforce development, and lifelong learning. To meet the diverse needs of our students we offer certificates, diplomas, associate degrees, and non-credit programming.

**Collaboration.** We build alliances with adult education providers, secondary school systems, regional postsecondary institutions, community groups, and business and industry partners to create seamless educational experiences. We are responsive and adaptable to the evolving needs of our students and community.

**Continuous Improvement.** We gather, analyze, and assess data to make informed decisions that drive institutional improvement.

**Diversity.** We treasure the many identities and perspectives in our community. We provide an inclusive, accessible, and safe learning and working environment that fosters participation and belonging.

**Equity.** We emphasize policy and practice that promotes opportunity and diminishes disparity within the college community.

**Integrity.** We act ethically and maintain an environment that encourages honesty, transparency, and accountability.

**Respect.** We recognize the contributions and expertise of all members of the college community. We understand that education relies on human connections, and we value the dignity and wellbeing of all people.

**Stewardship.** We exercise responsible management of the college's fiscal and physical resources.

Jefferson Community and Technical College is a member of the Kentucky Community and Technical College System offering career/technical, transfer, and transitional educational opportunities with campuses and locations in Jefferson, Shelby, Carroll, Bullitt, Gallatin, Henry, Oldham, Owen, Spencer, and Trimble Counties.

Jefferson Community and Technical College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees. Jefferson Community and Technical College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Jefferson Community and Technical College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling
