# FIND YOUR PROGRAM

Use the search boxes on the Navigation Bar to the left to review each KCTCS College's program offerings.

- Photos are associated with degree programs (typically two-years in length for a full-time student) or the highest level credential offered in a program.
- Icons with a white background are associated with diploma programs (typically two to three semesters in length for a full-time student).
- Icons with a blue background are associated with certificate programs which may be completed in one, two, or three semesters depending on the overall credit hours.
