

# A MESSAGE FROM DR. RYAN QUARLES, KCTCS PRESIDENT

---

assistance, our team is always ready to help. Contact your KCTCS college or reach out to the system at (877) 528-2748.

Sincerely,

Dr. Ryan Quarles  
KCTCS President

Welcome to the Kentucky Community and Technical College System! Whether you are a new or a returning student, I look forward to working with and learning from you this year.

If you are a new student at any of our 16 KCTCS colleges or if you are newly enrolled in an academic program, this catalog is your guide to the academic programs and student services that we provide. It is an important tool that will help you explore the available educational opportunities at each of the colleges in our system. You can also view this catalog on [kctcs.edu](http://kctcs.edu) throughout the year.

KCTCS prides itself in providing students with an affordable and convenient education that is relevant to today's workforce needs. Our students are our top priority, and our talented faculty and staff are focused on you and your educational and career goals. Whether you plan to transfer to a four-year institution or enter the workforce, KCTCS will provide real-world, hands-on opportunities to set you up for success.

Thank you for your interest in KCTCS. On behalf of the entire system, I wish you luck on your educational journey. If you have questions or need
