

APPALACHIAN STUDIES

The Appalachian Studies certificate will provide students a wide variety of academic directions to follow. The key components for each track, HUM 202 Survey of Appalachian Studies I (3 credit hours), HUM 203 Survey of Appalachian Studies II (3 credit hours), and HUM 204 Appalachian Seminar (3 credit hours), will form the core for the Appalachian Studies certificate and will provide a basic overview of all aspects of Appalachian studies. Given this core, students can then select a more focused aspect of Appalachian culture to study.
