

# CERTIFIED MEDICAL TECHNICIAN

---

The program bundles the current classes of NAA 100 Nursing Assistant Skills I (3 credit hours), PHB 152 Phlebotomy: Clinical Experience (1 credit hours), PHB 170 Applied Phlebotomy (3 credit hours) and CPR 100 CPR for Healthcare Professionals (1 credit hours). Once all of these classes are completed successfully the graduate will be eligible to receive the certified medical technician certificate. The program allows the graduate to either enter the healthcare field with a varied technical skill set and/or enter a healthcare program.

## Certificates
