PROGRAMS OF STUDY

This section of the KCTCS catalog provides an overview of all the degree, diploma, and certificate programs offered by the KCTCS Colleges, in alphabetical order by name of the overarching program. Each KCTCS College is independently accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) and decisions on program and course offerings occur at the College. Under the title of each credential is a list of KCTCS Colleges that offer the credential. Questions regarding the current college program inventory should be directed to the Student Records Office at each KCTCS College.

Employment and Earnings Information

Information related to KCTCS graduate employment and earnings can be found in Postsecondary Feedback Reports at (https://kcews.ky.gov/Reports/Reports (https://kcews.ky.gov/Reports/Reports/)).

Admission to Selective Programs

Academic requirements are specified for each program and are based on the level of difficulty and the technical nature of the curriculum. Admission to some programs is limited by college resources, facilities, accreditation requirements, etc. Contact the Student Services office or program coordinator at the college for more information.
